

**IACT AFRICA**  
POPIA AND GDPR  
PRODUCTS AND SOLUTIONS

This is to certify that

---

## Semper Systems International

Has completed the IACT-Africa  
EU and UK General Data Protection Regulations (GDPR) project and is now

# GDPR Ready

---

**This project achieved the completion and implementation of the following appropriate and reasonable organisational and technical measures as required by the EU General Data Protection Regulations (GDPR) and in line with Semper Systems International's business.**

- Completion of internal and external assessments for GDPR compliance
- Establishing GDPR compliance accountability structures
- Publication of a GDPR compliance privacy notice and related policies
- Amendments to existing contracts and policies in line with GDPR compliance requirements
- Identification and recording of areas in which personal information is stored and processed
- Created a library of privacy related reference material
- Establishing a GDPR compliance ongoing self-assessment plan
